

AB1200 Regulation Information

The information contained within this document is in regard to the California Assembly Bill Number 1200 (also referred to as "AB1200" for short).

What is AB1200?

AB1200 has been added to Part 3 of Division 104 of the Health and Safety Code (beginning with Section 109000) for the state of California. Beginning January 1, 2023, cookware manufacturers will be required to include a list on their company website of all of its manufactured products that are comprised of chemicals on the designated list as stated in AB1200.

For more information, please visit https://leginfo.ca.gov/faces/billNavClient.xhtml?bill_id=202120220AB1200.
