

# Cannabis Bakeware for Edibles

Chicago Metallic offers a full range of bakeware to produce a wide variety of edibles.

## Quality Construction

All of Chicago Metallic's pans are constructed of heavy-duty, commercial grade materials and are designed to the same quality standards as our commercial baking pans.

## Variety of Bakeware

We maintain the world's largest inventory, so you can get the products you need without delay. See Chicago Metallic's full catalog of over 300 in-stock larger options.

## World's Best Releases

Most of Chicago Metallic's pans are coated with AMERICOAT® ePlus, the world's leading silicone release coating, providing clean releases without the use of oil, grease, spray, parchment, or liners.

## Custom Solutions

Chicago Metallic can customize the perfect pan for your operation... full-size sheet pans, slab cake pans, strapped bread sets, brownie and muffin pans, and more!

## BUNDY BAKING SOLUTIONS:

Baking Pans

Pan Coatings

Release Agents & Applicators

Refurbishment Services

## AMERICOAT® ePlus

AMERICOAT® ePlus silicone release coating is the industry's leading silicone coating technology used on all Chicago Metallic glazed pans. AMERICOAT ePlus features longer-lasting performance and reduces the need for oil usage up to 50%.

## Pan Glo® Recoating Services

Your pans can be cleaned, recoated, and returned to your operation with like-new release characteristics. For more information, call 800.652.2151 or visit our website at [panglo.com](http://panglo.com).
