

Cannabis Bakeware for Edibles

Chicago Metallic offers a full range of bakeware—including bread, brownie bite, cupcake, muffin, cake, pie, and sheet pans—to produce a wide variety of edibles.

Quality Construction

All of Chicago Metallic's pans are constructed of heavy duty, commercial grade materials and are designed to the same quality standards as our commercial baking pans.

Variety of Bakeware

We maintain the world's largest inventory, so you can get the products you need without delay. See Chicago Metallic's full catalog of over 300 in-stock larger options.

World's Best Releases

Most of Chicago Metallic's pans are coated with AMERICOAT® ePlus, the world's leading silicone release coating, providing clean releases without the use of oil, grease, spray, parchment, or liners.

Custom Solutions

Chicago Metallic can customize the perfect pan for your operation... full-size sheet pans, slab cake pans, strapped bread sets, brownie and muffin pans, and more!
